

MEMBERSHIP OVERVIEW

The Board of the National Association of Women Business Owners establishes member classes. NAWBO Membership is open to individual business owners who own an equity interest and actively participate as a sole proprietor; an active partner of a partnership or active member of a limited liability company; and independent contractor; or individual owners of 5 percent or more of the stock of a corporation and who are involved in policy-making and day-to-day management of the corporation.

- NAWBO has chapters in most metropolitan areas. If there is a chapter within 45 miles of your home or business location, you must become a member of that chapter. If there is not a chapter in your area, you can join NAWBO as a Virtual member.
- A NAWBO membership is recorded in the name of the individual, not the organization.
- A new member's join date is the first day of the month NAWBO National receives payment.
- Membership dues are nonrefundable and subject to change. A member may submit a written resignation to rescind her membership, but no portion of dues will be refunded.
